

## Release for Letter of Recommendation

**Instructions for Faculty:** School officials may use this form when a student requests them to write a letter of recommendation. A signed release from a student is necessary to obtain written consent from the student. Student consent should include: (1) the data to be disclosed, (2) to whom the data will be disclosed, and (3) the student's signature and date.

**Nondirectory information** should not be included in a letter of recommendation without the student's written consent. Examples of nondirectory information include: birth date, religion, citizenship, disciplinary status, ethnicity, gender, GPA, marital status, UFID or social security number, grades/exam scores and standardized test scores.

If a letter of recommendation contains nondirectory information:

- A written release is recommended, not required, for recommendations sent to other educational institutions in which the student seeks to enroll, including professional school admission services.
- A written release is required for general letters of recommendation sent to an employer or an individual.
